PERFORMANCE TASK (PETA) 1  
IGE - SCIENCE & MATHEMATICS DEPARTMENT

*Education that works.*

## PETA 1(APPRECIATION OUTPUT)

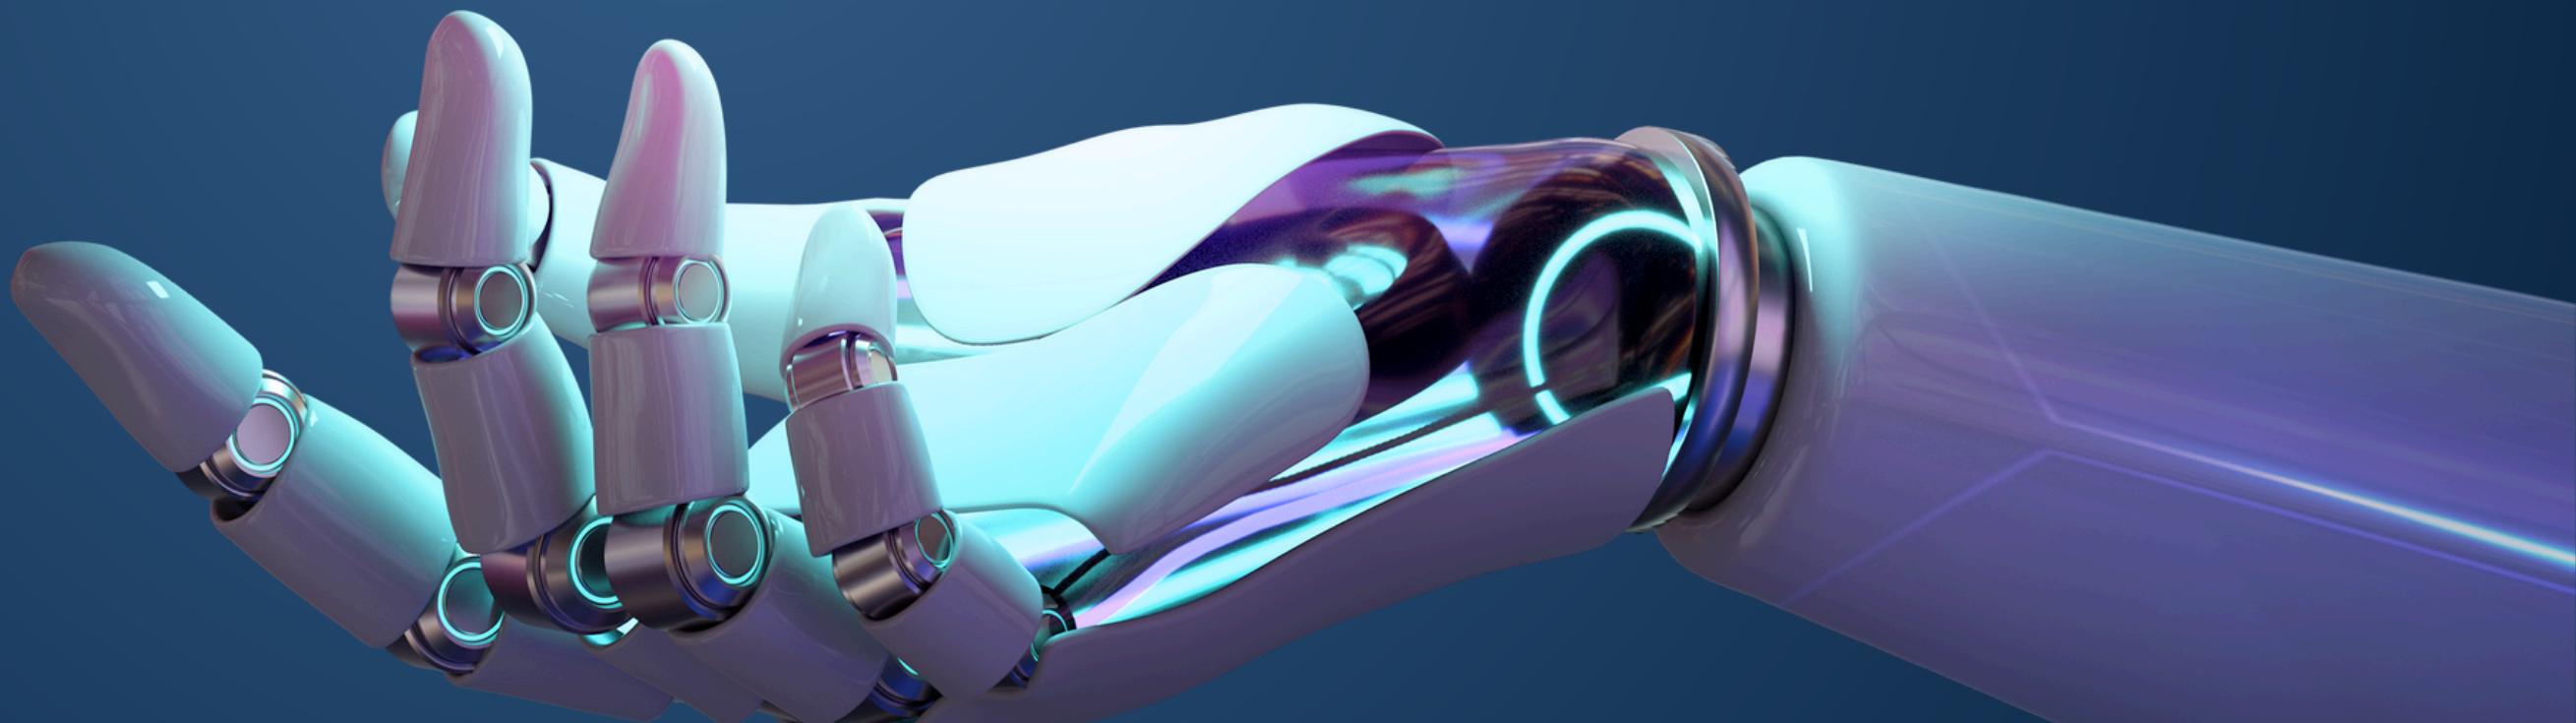

1. Create a skit that highlights an object from the past. Emphasize how it has evolved over time, the technology behind its transformation, and its impact on modern society.
2. At the end of your skit, explain the following:
  - a. How did you come up with the idea? How did you plan your task? Did you get any help or support?
  - b. What are the challenges you encountered while doing the task?
  - c. What are your contributions (each) in the PETA?

## PETA 1(APPRECIATION OUTPUT)

3. Ensure your video is no longer than 5 minutes.
4. Record in lower resolutions so that the file is not heavy.
5. Upload your video to YouTube and set its privacy to "unlisted" to keep it private. Alternatively, you can upload your video to any drive of your choice.
6. Once you have uploaded your video, ONLY the representative of the group will submit the link in the designated assignment tab.
