PERFORMANCE TASK (PETA) 2  
IGE - SCIENCE & MATHEMATICS DEPARTMENT

*Education that works.*

## PETA 2(CREATIVE OUTPUT)

1. Create a 1-minute Tiktok video creatively highlights one of the following:
  - a. Choose a product of the current trends, as discussed in Section 1, and creatively demonstrate its use in everyday life. Additionally, provide insights into the technology that powers it.
  - b. Perform up to two netiquette rules covered in Section 2. Use engaging scenarios to illustrate proper online behavior.

## PETA 2 (CREATIVE OUTPUT)

2. Record in lower resolutions so that the file is not heavy.
3. Upload your video to YouTube and set its privacy to "unlisted" to keep it private. Alternatively, you can upload your video to any drive of your choice.
4. Once you have uploaded your video, ONLY the representative of the group will submit the link in the designated assignment tab.
5. Outputs with the highest scores will be further evaluated using a separate grading rubric. If they meet the criteria, they will qualify as entries for the lecture series contests. The winners will be announced during the event.
